Fire Department

Procedures for Getting a Hydrant Permit

1. Fill out the information required on the Hydrant Permit Form.
2. Take the completed form to the Cleveland Water company where you will need to pay for the water.
3. After paying for the water, the Cleveland Water Co. will give you a receipt and a water permit.
4. Bring the following forms to the Brecksville Fire Department along with a check for \$10.00 made out to the City of Brecksville.

- **The Completed Hydrant Permit Form from Brecksville**
- **Your receipt for payment of water**
- **The City of Cleveland Hydrant Permit**

5. You will need to have the starting and ending date.
6. You will need the location of the hydrant that you will be using. If you are going to use more than one, we will need to know the starting and ending points.
7. You will then be issued a hydrant permit.
8. **You must have** a copy of the hydrant permit at the location to verify that you have permission to use the hydrant.
9. **YOU MUST HAVE YOUR OWN EQUIPMENT; THE FIRE DEPARTMENT WILL NOT PROVIDE ANY EQUIPMENT.**
