

## Postponements:

Given the restrictions listed in the guidelines set forth by the Ohio Department of Health and Governor DeWine's office, we have made the difficult decision to postpone the following programs and events until further notice:

- Brecksville Travelers Trips
- Weekly Lunch Trips
- Tuesday Brunch
- Thursday Sit-Down Lunch
- Evening Activities

## The following programs will continue as scheduled:

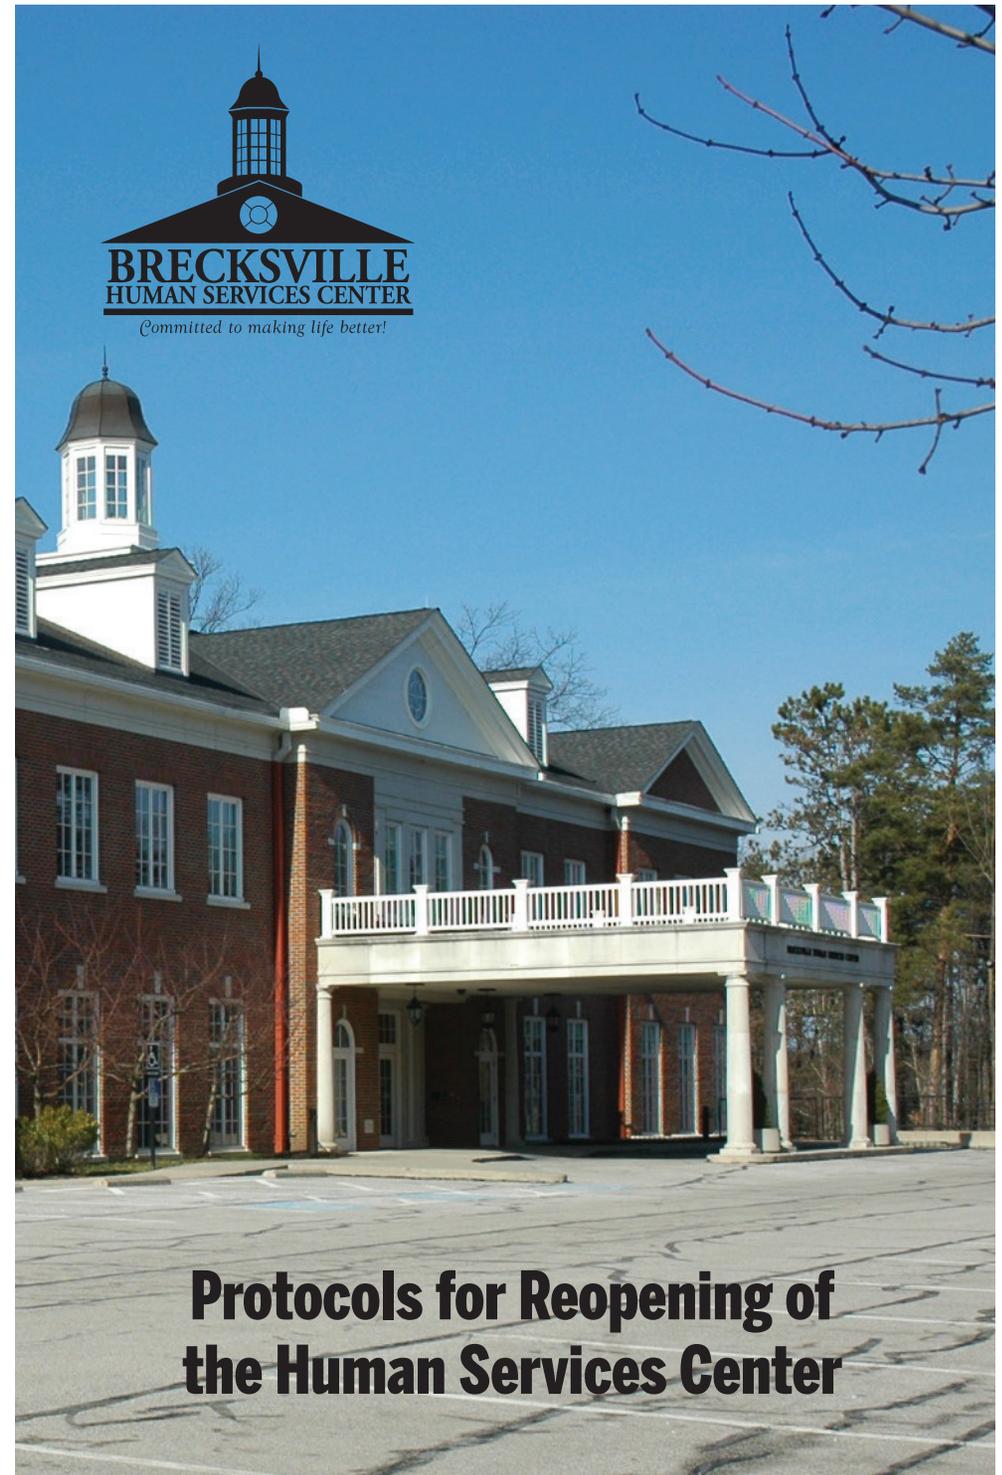

- Thursday Grab and Go
- Meals on Wheels
- Transportation (Essential Appointments Only)
- Food Pantry

**\*\*The safety of the public and our staff is of the utmost importance. Protocols must be followed. Multiple violations of City and Cuyahoga County Board of Health protocols will result in expulsion from the facility.**

**CCBH**

*Please note: Protocols are ever changing, please go to [www.brecksville.oh.us](http://www.brecksville.oh.us) for daily updates.*

*Effective May 3, 2021*

# Welcome Back!

The Human Services Center is returning with a new normal and we are taking measures to ensure the safety of both the staff and public alike. While some protocols may be temporary, many of the new standards of hygienic safety will remain in place going forward.

## Our Hours of Operation

Monday through Friday 8:30am – 4:30 pm

## Areas that Remain Closed to Public:

Human Services Offices

Below are mandatory protocols set forth by Governor DeWine's office to help reduce the spread of COVID-19. The Human Services Center has put in place these protocols to protect both the public and our staff.

## Human Services Center Protocols (General):

- We **require** facial coverings for employees and the public throughout the facility.
- We have installed protection shields at the Human Services Center entrance desk to protect both staff and public.
- Employees are conducting daily health assessments (self-evaluation) to determine if they are “fit for duty.”
- Our staff is maintaining good hygiene at all times: hand washing, sanitizing and social distancing.
- We are cleaning and sanitizing work stations and areas before, during, and after the building closes.
- We are adhering to social distancing protocol throughout every area of the facility.
- There will not be a lost and found. Any items left behind will be discarded.
- Hand sanitizers are in place throughout the facility.
- Restrooms will be cleaned every 4 hours.

## Therapy Pool

- Until further notice, the Therapy Pool will only be available for Self-Directed Therapy.
- Water Exercise classes will remain postponed until further notice.
- There will be a 10 person limit in the therapy pool.
- Once the 10 person limit is reached, there is a 30 minute limit for each person in the water.
- Routine disinfection of high-contact surfaces, desk workstations, restrooms, pool ladders, as well as equipment, will be conducted by aquatic staff.
- There will be limited exercise equipment available. Once use, it is to be placed in the “return” basket to be disinfected.
- Changing rooms will still be available on a first-come-first-served basis.
- Lockers are operational but spaced to adhere to the 6' distancing.
- Masks are required in the building, on the pool deck, and in the locker rooms. They can be removed only while exercising in the water.

## What you can do to help reduce the spread of COVID-19:

Below are Protocols the public needs to be aware of and follow in order to keep our facility operational.

## Public Protocols:

- Get Vaccinated!
- Stay home if you are ill.
- Please take your temperature when entering the building. If it is 100.4 leave the building.
- Masks are required throughout the entire facility.
- Hand washing or sanitization upon entry to the facility is required.
- The public will be required to sign a waiver when entering their first visit back.
- No spitting anywhere in the facility.
- The public should adhere to social distancing upon entering and throughout the Human Services Center.
- Handshakes, hugs, high-fives are not permitted.
- Hand sanitizer is available throughout the facility for members and employees. Cleaning products, EPA-approved disinfectants and disinfecting wipes for sanitizing should be used for equipment before and after use by the public. This pertains to fitness classes as well.
- There will be limited seating throughout the facility. Socializing in groups is not recommended.

**We are happy to be back and serving our community and providing a safe and healthy facility for all. Please observe and practice the protocols to ensure the safety and well-being for everyone.**

**Failure to comply may result in your being asked to leave the building.**
