

## Message from Mayor Hruby December 17, 2020

City of Brecksville <information@brecksville.oh.us>

Thu 12/24/2020 12:16 PM

*From the Office of the Mayor*  
*Jerry N. Hruby*

2020 brought us many challenges. As a community, our City residents reacted in many and most generous ways. Much goodness was demonstrated and the care and concern for family and neighbors and often times those we really did not know personally became a daily way of life. I want to thank you, very simple words but very heartfelt. We move on, we walk on, better days are in our future. Let us hope that all will continue the concern, support and generosity that was shown throughout 2020. Merry Christmas to you and your family, loved ones and may you receive all of the blessings of the season. I wish you all, on behalf of City family a safe, healthy and prosperous New Year. (Due to the winter advisory and what is most likely to be a major winter storm, please be assured our Service Department will be out in full force this Christmas Eve and Christmas Day, along with our Safety Forces doing their best to keep our roads open and to keep you safe. We recommend, when possible, avoid any absolutely unnecessary travel.) Drive safely.

God Bless,  
Jerry N. Hruby  
Mayor
