

Drive-thru Community Flu Clinics in Brecksville

Getting your flu shot is more important than ever this year as we continue to do our best to contain COVID-19. And now you can get your shot from the comfort of your car.

No appointment is needed, and you don't need to be a MetroHealth patient. Flu shots are available for individuals ages six months and older. Everyone over the age of two is required to wear a mask while getting their flu shot.
