

Welcome

MISSION STATEMENT

We are the Brecksville Recreation Department. We help you feel good about yourself! Our mission is to provide outstanding recreational, educational, athletic and wellness opportunities to every member of the community. We strive to offer the most current facilities, programs and equipment available while maintaining quality customer service for the greater good.

The Brecksville Community Center Staff welcomes you as a member and hopes you will enjoy the use of our beautiful facility.

In order to maintain a safe and healthy environment, we are offering you information regarding fees and regulations. Please become familiar with them and keep this information as a reference guide.

Specific program information is available in the lobby and online at www.brecksville.oh.us as registration time for each program approaches.

The Community Center is a 64,000 sq. foot facility comprised of a Field House, Fitness Center and Studios, Natatorium, Community Rooms, Child Care Facility, and Game Room. The field house is 10,650 square feet and features wood flooring basketball and volleyball courts, and has a stage and elevated track.

Our fitness center is made up of a cardio area, free weight room, 4 studios and a passive lounge for stretching. The cardio room features a large variety of treadmills, stair climbers, elliptical, bikes, arc trainers, a Cybex weight circuit and televisions with fm transmitter so patrons can tune into the various channels with their personal radios. The weight area has additional weight machines, free weights, and other equipment. Our studios can be broken into 4 separate studios or the walls can be opened up into larger areas. A large variety of classes are offered in the studios throughout the day.

The Jack A. Hruby Natatorium features a 25 yard indoor pool with a one-meter diving

board, an adjacent whirlpool, and a series of glass doors that overlook and access the outdoor leisure pool. The skylights, wooden beams, and tropical palm trees give the area a warm feeling all year round. The outdoor leisure pool has a mushroom spray feature and a zero grade entry that steps down to four feet at its deepest point.

The Game Room is equipped with foosball, ping-pong, pool and air hockey tables, as well as a television. A variety of board games are also available for members to sign out from the front desk.

The Child Care Room is available for members and guests of the Community Center to sign in the young ones for supervised play while they are using the facility. It features brightly colored furniture and accessories, along with toys and activities to entertain your 6 month to 8 year old for up to 90 minutes while you are in the building.

The Community Rooms are available for rentals to accommodate up to 128 persons for dinner seating and 200 persons theater style seating and is equipped with a warming kitchen. Theme birthday parties are also available in these rooms and can include access to our facility, and rental of our video game system projected on the big screen.

Men's and women's locker rooms include saunas. A separate locker room offers family members with small children a place to change without having some members of the group separated.

Vending machines are located near the main lobby.
