

## **521.19 SNOW REMOVAL.**

(a) No owner, lessee or occupant or his agent or employee, shall remove or cause to be removed from his real property accumulations of snow or ice by depositing such accumulations of snow or ice into or upon any street or alley within the municipality unless it is otherwise impossible to clear the owner's, lessee's or occupant's sidewalks, thereby causing a hazardous condition in such street or alley or obstructing or covering fire hydrants located in such street or alley.

(b) Snow, ice or slush may not be deposited upon any tree lawn area other than that tree lawn area which abuts the property from which the snow has been removed.

(c) Whoever violates this section is guilty of a minor misdemeanor.
